

The Heart of Minnesota Great Dane Club, Inc.

The Heart of Minnesota Great Dane Club, Inc. is a non-profit organization whose members are Owners, Breeders, Exhibitors, Trainers and Ordinary People who have one thing in common: they are dedicated to the welfare and advancement of the Great Dane.

Monthly Meetings of the HMGDC are held in the Minneapolis-St. Paul area. These meetings are held at a centralized meeting location unless there is a speaker that requires a hands-on demonstration where another more suitable location is needed. The meetings are held on the first Wednesday of the month at 7:00 p.m. Meetings are an opportunity to become better acquainted with the club and it's members, and to learn more about subjects pertaining to the Great Dane through informative programs.

Two Specialty Shows are offered each year for those interested in conformation in the Great Dane. These shows are held in August, and are well attended by the Dane Fancy.

Obedience Training is avidly practiced by many of our members, and we hope to add Obedience trials as a feature of our Specialty Shows.

Breeder Referral is a service we readily provide, helping people find a responsible breeder from which to purchase Dane pups.

Great Dane Rescue & Placement is an endeavor we support to help Humane organizations and occasionally the general public to find new and loving homes for Danes found in unfortunate circumstances.

The Bulletin is a monthly newsletter published by the HMGDC that reports on the club's activities and other pertinent information. You may be included in our mailing list and receive three months of the Bulletin as a courtesy to interested Dane Fanciers. The Bulletin may be subscribed to for \$10.00 per year. Members receive the Bulletin for free.
