Paddy Magnuson

I was born in Ireland into an animal oriented, competitive family of six kids. Sporting events horses and dogs became the focus of our lifestyle as soon as we could toddle. At age 6 or 7 each of the kids were permitted to own and raise the breed of their choice. Mine, of course, was a Great Dane. At one time or another we had a Fox Terrier, an Irish Wolfhound, a Dalmatian, an English Pointer, a Great Dane, a Pekinese, plus a dog or two, of unknown lineage, who joined in our walks or rides.

In the early 1950's, my family immigrated to the USA and became residents of N.J. My first American Dane was a 3 month old puppy, of "Roxdane" breeding, "Michael". When Michael was approximately 14 months old, I accepted a wonderful job, which involved travelling. Michael was my sole companion and we covered thousands of miles together. We became each other's "Guardian". He crossed the Bridge at 12 plus years. A piece of me went with him.

In 1960 I met my husband, John, in Yellowstone National Park, and we were married in the Mammoth Chapel in YNP in 1961. John, also loved the Great Dane breed, and we bred our first litter of Danes (Kalmar breeding) in 1963, and showed the puppies at the fledgling Montana/Wyoming Circuit. John was President of the Billings All Breed Club of Montana, and at that time Great Danes (dogs and bitches) were shown together, and only two classes provided - Puppy and Open with no division of colour. I think Obedience Trials were more popular than Conformation Classes, with approximately 200 plus total dogs and two Judges to cover the entry. On this same show circuit we met Nancy-Carroll Draper, of Danelagh Kennels located in Connecticut and Wyoming. Our mutual love of the breed, plus our competitive spirits, was the basis for developing a lasting friendship.

In 1966, my husband's profession brought us East. We had 3 Danes at the time, and I was given the opportunity to join up with Nancy Carroll at her Danlagh Kennel, in Connecticut, of 31 Danes, adults, and puppies. Thus, was presented with a wonderful opportunity to study pedigrees, bloodlines, plan breedings, raise litters, hone my handling skills, and learn from the great breeders of that era. For someone who had loved Great Danes all their lives, I had landed in Dane Heaven!

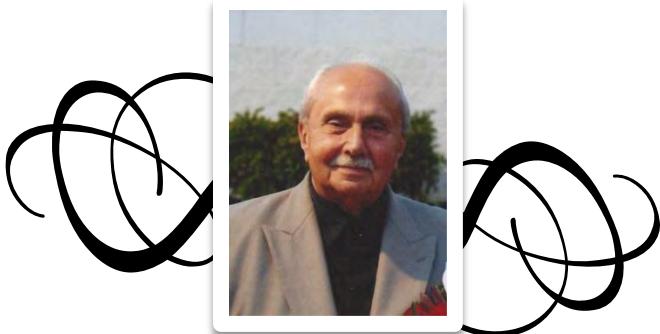

In 1969 my husband and I moved from CT. to upstate NY, I continued travelling with Nancy-Carroll, showing /handling our Danes around the Country until the late 70's, when Nancy-Carroll closed her Connecticut Estate and retired to her Ranch in Wyoming.

We applied the "Magnus" name in the early 60's with Sir Brian Boru of Magnus, Tarlagh of Magnus, Houlahan of Magnus, etc. In 1969 Am/Can Ch. Danelagh's Ottar and Am/Can Danelagh's Zari joined us in NY. The latter bitch was a litter sister

to Am/Can. Ch. Danelagh's Zorn and Am/Can Ch.Danelagh's Zeus, all good producers. In the late 70's we lost Brian Boru to a heart problem, and Zari to bone cancer. It was devastating, and for a time, I wanted to change breeds. Instead I changed the colour, eliminating the fawn/brindle colours - and asked Laura Kiaulenas (BMW) to find me a good harl bitch. "BMW Munchkin of Magnus" became a resident of the Magnus Kennel in 1981. She turned into a lovely bitch and, bred back into the BMW bloodlines, produced some lovely progeny. In 2007 I bred my best friend, BISS Am/Can Ch. Charli Angel A/J Magnus RN, to BISS Am. Ch. GMJ The General D'Kota which produced 5 puppies, and the 3 show marked puppies all finished quickly. I considered this an "out" breeding, and was the best litter I had ever bred. I bred one more litter in 2011, Ch.GMJ's The Zacharia P. Steele to Ch. Mochree Irish Melody of Magnus. This produced one puppy, 'Mia, Irish Miracle of Magnus', which I placed in a loving family home in Michigan.

We have been fortunate, indeed blessed, to have had such beautiful, loving creatures to share our homes and our hearts, plus the lifetime of friendships we have shared over the years. "Dogdom's Apollo" is a fitting nomenclature for an animal that gives us so much in return for so little.

Tootie and I bought our first Great Dane in 1969 as a pet. We saw an advertisement in the paper for blacks. I had never heard of a black Great Dane. We bought him as a Christmas gift to ourselves. He had one testicle and wasn't cropped at 4 ½ months old. We had him cropped and his testicle came down. He was our FIRST Champion. At 6 months of age we entered him in his first puppy match. He won the Working Group! That was it, we were hooked! We did it as a social thing, a way of getting away from business on the weekends with the kids. It was a hobby that turned into a lifestyle.

We have two children; Tina, married with two daughters and Joey, married with a daughter and twins, a boy and a girl. We own and operate Italian Restaurants in our real lives.

When the kids graduated from High School and we started showing dogs on a larger scale. In 1980 we bred and owned BIS BISS Ch. Longo's Chief Joseph. He was our first "Special". The rest so to speak, is history. He was #2 Great Dane in 1984 and the

first black to win All Breed Best in Show in 22 years 2nd in AKC history. He was also the first Black to win a National Specialty Best in Show and the Top Black Champion producing sire in the breed.(replaced by his son BIS BISS Ch. Longo's Primo D'Aquino).

We have also had the pleasure of owning the winner of the GDCA FIRST Independent National Specialty, 7 All Breed Best in Show winners, 5 Top 20 winners, 11 Awards of Merit, 2 GDCA National Specialty Best of Breeds, 2 GDCA National Specialty Best of Opposite Sex, 1 GDCA National Best of Breed, (South East Region Regional) and the First Black Winners Bitch at the GDCA National Specialty. We have had the opportunity to make some very good friends over the last 40 years and I hope we can continue to contribute to this breed we love. I sincerely appreciate the privilege of judging "The Breeders Showcase".

Sincerely,

Joe
