## Judge: Fran Lass

How fast time flies is an understatement!- It has been 56 years since I bought my first Great Dane for a whopping \$65.00.---that was in 1965, from a sell or swap ad in the local newspaper, we didn't have facebook or websites back then! My new puppy was not a show dog, but he taught me a lot. ....I joined with other local dane owners to start The Great Dane Club of Greater Denver and held several offices throughout the years. In 1968 my first show dog arrived on the scene, a lovely girl from Von Riesenhof breeding, later on, one from Von Raseac. Von Riesenhof is Hazel Gregory and Von Raseac is Brucie Mitchell. I consider both Hazel and Brucie my original mentors. In 1985 I purchased my Ch. Timber from Jill Swedlow, he was my foundation stud dog...so many people and past breeders contributed to my Lagarada dogs. I have met some interesting people along this journey and I have learned valuable lessons. I have had some wonderful co-breeders as well, Gauri Nargolkar from India, and Joyce Rowe, Susan Johnson, and Kara Florek from the USA. ...I have produced many champions and top producers throughout the years and have owner handled to some fantastic wins and titles.

I have shipped dogs all over the world, Africa, Brazil, Canada, Denmark, Finland, India, Japan, Norway, Sweden and the U.K., I'm very proud of the breeders involved who have used them wisely in their breeding endeavors. My dogs and I have been fortunate enough to be awarded some very nice wins at the GDCA Nationals -- 2 Best Junior in Futurity wins; a 2002 Top 20 Winner ; Other Top 20 contenders; Winners bitch in 2001; Top Breeder (2x), Top stud dog, Top brood bitch (2x); Winning Best BBX in 2004; BOS in 2014. I have never taken these wins lightly and have strived to produce dogs to achieve these successes. I would be remiss if I didn't mention the names of some of these wonderful dogs:

Top: 20's: Winner 2002--BIS BISS Am./Can Ch. Lagarada's Reach for the Starz HOF; CH Lagarada's Hideaway Lonestar Lady; GCHS MBISS Lagarada's XR Diamonds are Forever V Daynakin AOM; GCHB Lagarada's Forever A Lady CA CGC TKN ATT (GIGI--still holds the fastest great dane Fast Cat time won in 2019); GCHG MBISS Lagarada Danehills StarStruck Titan.

India: My "Star", co-bred with Gauri Nargolkar,- AmGch/ India MBISS, India MBIS Lagarada's Danehills Starman, was dane of the year, 2015-2016-2017, and #1 working dog and Reserve all breed dog of the year in in 2016-17. and in Japan in 2002: Jap. BISS/BIS Ch. Lagarada's Special Agent Mulder was #1 All Breed dog.... My thanks to the owners and handlers of all of these dogs, without this unique "village" none of this would have been possible.

Perhaps my best known stud dog is my Travis...BISS Ch. Lagarada's Aspen Gold, ROM, HOF, who sired many champions, both in the US and in other countries, he was my best buddy for 9 years. .All the dogs I have owned have played a part in creating Lagarada , I wish I could name them all, for they were all special in showing, breeding and living with them.

It's been quite a journey, and I thank you all for this opportunity and honor to once more judge our wonderful futurity. Good luck to all.

Fran Lass

Judge: Teresa La Brie

## WYSIWYG Great!Danes

I obtained my first Great Dane (rescue) in 1977. I had met several Danes growing up and always knew I would have one someday! I purchased my first house in 1982 and immediately set out to purchase a well-bred Dane puppy. I obtained my first blue in 1983 and bred my first litter in 1985. I consider myself a preservation breeder and I am currently an AKC Gold Breeder of Merit.

I have used pro-handlers and have finished many dogs as an owner handler. I complete in conformation and just about every companion/performance event offered. I love the versatility and work ethic of Great Danes. I like to see a dog that is sound of mind and body and capable of doing the job it was bred for. Although we don't have much call for boar hunters these days, a Dane should be strong and sound and represent a true working dog. They should be as beautiful in motion as they are standing still. No matter the color or pattern, all should be bred as close to the standard as possible.

I am thankful for everyone who voted for me. I pledge to give every entry an equal and fair evaluation and will do my best to put up the best examples of the breed in each age category. I look forward to seeing all the wonderful puppies who are truly the future of the breed. I wish you all the best of luck, have fun and remember...win or lose; it is just one person's opinion on one given day!

Judge: KATHY FONTANA

I have loved and owned dogs all my life. I have had many different breeds, all sizes, and colors. But nothing can compare with my love and admiration for Great Danes. It is hard to believe we purchased our first Dane 25+ years ago. It has been a wonderful journey. How it all started ~ in 1991 my daughter, Rochelle, wanted a puppy to love and to learn "junior" handling. She wanted a Great Dane, she never wavered from that. I asked her to do some research into the breed and junior handling and she did just that. A few years later and after many discussions, our search began for a sound Great Dane puppy. We were not looking for a "show" dog; we wanted a very nice healthy dog with a good temperament and very good pedigree. We searched and finally became the proud owners of "Cody" he was not the pick show puppy, but he was perfect for us. We brought Cody home and the Great Dane education continued for the whole family. We went to conformation and obedience classes. Cody loved it all and so did we. After talking to exhibitors at class and class instructors, we became very interested in how the "Dog Show" world worked. We went to a few AKC shows as spectators and Rochelle did junior handling. We started watching the Danes in the conformation ring. We entered a few shows, and then it happened, that first small win. We were so excited to win the class and get that blue ribbon! We were hooked, and Cody became our first AKC Champion.

We have loved and owned many Great Danes since Cody, champions, and companions. I could fill a book on the wonderful moments and stories on each one. So much laughter and joy each one has brought into our lives, each a unique character with a different amusing personality, each one irreplaceable. I have made many wonderful friends over the years. My mentors have shared their experiences, triumphs, and tribulations. They have encouraged us, cheered us on, and cheered us up throughout the years. They are my "go-to" people and I know they are always there for me. My non-dog friends laugh when I say "My Dog Friends", but that's ok; as I feel only a few could understand the true devotion we feel, not only for our dogs but for each other. On a very limited "Breeding" program I have been blessed and fortunate enough to be breeder/cobreeder of many Champions, multiple BISS Winners, Top Twenty Contenders, and a Top Twenty Winner! What an amazing adventure it has been! It's a thrill to watch a dog win; especially when you believe they are a true representation of the breed.

Whether you own them or not, it's exciting to see a dog you admire succeed and go on to a wonderful "specials" career and contribute to the breed. To me, that is the passion of the sport, that's what makes it all worth watching and participating in. And then, if you are lucky you get to watch it all over again as their puppies step into the ring. I am very honored and excited to be here this year and to judge the GDCA 2021 Futurity.

Thank you so much for this very special opportunity.

JUDGE: JAMIE HARSHFIELD

The GDCA Futurity event is the culmination of all the hard work and dedication put forth by breeders. And for that reason, as a breeder, I am deeply honored to Judge this event.

Over the last couple of decades, I've been fortunate enough to have bred/co-bred 28 Great Dane Champions and 11 Standard Wirehaired Dachshund Champions under the kennel prefix of ICON. The majority of my dogs have been bred/owned and handled by myself, or my daughter. Some of my dogs enjoy other activities outside of the ring including nose work, tracking and barn hunt activities, and being service dogs to their owners, which proves that Great Danes are versatile. My proudest moments are of the dogs that fill a need to serve in the community. There is no greater sense of satisfaction than knowing one of my dogs will help someone regain their independence through service work, therapy dog or as a constant companion.

In addition to the above, I am, and have been, very involved the GDCA as well as 3 other clubs, including my local all-breed club. I have had the privilege to hold numerous positions within these clubs. Everything from President to grounds crew at our local show. The work can be challenging at times, but I cherish the friendships I have made along the way.

I wish you all the best of luck. Thank you again for this opportunity!
